## The card. It's Payback time.

Enter your sales into [www.paybackincentives.com](http://www.paybackincentives.com) and submit. Once approved, cash is loaded onto your Payback Incentives awards card, which works just like a debit card.

Use it like cash virtually anywhere award cards are welcomed in the U.S. and Canada. Use it as you see fit. You've earned it.

## Automated to serve you.

Here are some of the things you can quickly do with Payback Incentives, all online:

- Check your spendable award card balance in real time.
- Get a quick snapshot of *your* individual results: progress submitted, award dollars earned and more.
- Manage, edit and add to your online contact list – even export to a computer.
- Review all your past submissions on the system.
